

Corporate Sponsorship Package

Mont St. Joseph (MSJ) Home is committed to providing the best in care, comfort and safety to the people who live in our Home. Through the Mont St. Joseph Foundation – and the generous support of individuals and businesses of our community – the acquisition of furnishings & equipment and support for other special needs becomes an important reality in our efforts to provide a safe environment for our Residents where compassion and love are the foundation of the Home’s efforts to serve the people who have built this community and country.

The MSJ Foundation invites you to become a partner of MSJ Home by becoming a Corporate Sponsor. A variety of corporate sponsorship options are available for your consideration. These opportunities are ideally designed for a minimum of three years, ideally five! Corporate Sponsorship provides many benefits to your company which are included in this package. We will be pleased to discuss them at your convenience.

As well as becoming a Corporate Sponsor of a specific event organized by the Foundation to raise funds and create public awareness for our participants and this community, your generosity will be recognized throughout the year at MSJ Foundation events and activities. Every person of our extended MSJ family will be aware and appreciate your organization’s support of our Residents.

By becoming a Corporate Sponsor, your company can incorporate its Sponsorship commitment into your planning and budget processes. In turn, it allows us to determine commitments to MSJ Home – and the people who live there - with confidence.

We appreciate your interest and support of Mont St. Joseph Home. We thank you in advance for considering our request to partner with you as, together, we support the Home and its dream to be “a welcoming Christian community giving life meaning.”

Sincerely,

Glenn McMullen
Mont St Joseph Foundation, Chairperson
