

# Mont St. Joseph Foundation's Garden of Life

Spring is here... and what a welcome sight it is!

Each year, the Mont St. Joseph Foundation kicks off our Annual Fundraising with the “Garden of Life” Campaign. This has become our main support for the Home’s many amazing outdoor spaces that contribute to the emotional, spiritual, and physical wellbeing of our Residents.

Last year we wanted to ensure that our residents and families, had a serene escape from all of the effects of COVID-19, so we focused our energies and efforts on making our front deck an oasis for everyone to enjoy. What an impact it had! Holding family visits, lunches, marshmallow roasts and recreation programs. The amount of time spent on the deck last year was incredible! Plus, it created an amazing team experience in up-keeping it and making it look beautiful all summer long!

We want to keep that momentum and team spirit rolling this spring and want to invite you to join us in doing so! Along with planting over 20 pots with amazing flowers/greenery we are also in the planning stages of a covered area on the deck to protect our families, friends and residents from the rain and sun that we are so looking forward to this year! So how can you join our team and help? Sponsor one of our 20+ pots for the summer or help us continue making our front deck a true oasis by making a cash/credit card/cheque donation to our Garde of Life Campaign.

We can’t wait to have you join in the fun and partner with our Foundation to give our residents an incredible outdoor oasis to enjoy this summer! Reach out to Jessica at our Foundation office at 306-922-4663 by **May 22<sup>nd</sup>, 2023** to ensure you have you’re pot or donation in place; and be sure to stay in touch with us through our Facebook page to watch the joy and smiles that these spaces bring to our residents, families and friends.

Sincerely,

Brenda Holowachuk

Garden of Life – Chairperson; Mont St. Joseph Foundation Director

# Mont St. Joseph Foundation's Garden of Life

## How would you like to support our Garden of Life?

- **Sponsor one of our 20+ pots for the summer:**
  - Bring your family, flowers, and tools down to the Home and spend some time playing in the dirt and making your 'pot' shine! Or....
- **Cash donation toward our Garden of Life Campaign:**
  - Where all the funds raised go towards a new deck covering, filling the extra pots with flowers and greenery and all the extras that go into making this space a true oasis!

Either way, we will make sure to put a note on each 'pot' for each family/business that has sponsored it. And remember, any donation over \$20 will receive a charitable tax receipt (including charitable receipts for any plants you purchase if you provide us with the receipts)
